### ***CleanTown USA raises \$500 for Make-A-Wish Foundation***

**Hampton Township, Pa., – September 30, 2004** – On Sept. 25, CleanTown USA, Pittsburgh's favorite car wash, helped make the wishes of local children come true by participating in the national Wash U.S.A. event to benefit the Make-A-Wish Foundation®. The one-day fundraiser raised \$500 for Make-A-Wish.

“The Wash USA event was a great opportunity for CleanTown to get involved in the community and help some local children,” said Mark Hofmann, co-founder of CleanTown USA. CleanTown donated \$1 to Make-A-Wish for every car that came through the car wash on September 25 and then added a corporate donation on behalf of its employees for a total of \$500. In addition to the fundraiser that day, CleanTown sponsored a visit by the WISH 99.7 Street Treat Patrol and a prize raffle for Steeler tickets and gift baskets for customers. Denise Crisella of Allison Park won two Steeler tickets.

“CleanTown USA is very dedicated to the communities it serves and we were thrilled with the result of this fundraiser,” co-founder Robbie Hofmann said.

#### **About CleanTown USA**

CleanTown USA is a full service car care facility located on Rt. 8 in Hampton Township. Unlike any other car wash, CleanTown features two automated, soft-cloth exterior wash tunnels and two interior detailing bays on which cars ride a conveyor belt while being cleaned. Services range in price from \$8.50 to \$23.00. To learn more about CleanTown wash services, job opportunities, community programs and promotions visit [www.cleantownusa.com](http://www.cleantownusa.com).
